

# Team Re- Ignition

Discover how Christina boosted her team's morale and retention without spending any money.

## Dimming Energy

Tough times can drain your team's energy. Quiet Zoom calls and low morale are common signs.

## Purpose Perks

Gladly offers free, purpose-driven perks like wellness getaways and mindfulness apps.

## Team Choice

Letting teammates choose their perks empowers them and shows you care about their needs.

## Smiles Return

Small changes can have a big impact. Christina saw more smiles and ownership after implementing Gladly.

## Wellness Wednesday

Even weekly reminders of wellness can boost team connection and provide a moment of calm.

## Lead with Care

Supporting your team doesn't have to break the bank. Empower them with choices for a happier workplace.

One decision changed everything.
